THE PERFECT NANNY

By

RICHARD M. SHERMAN
ROBERT B. SHERMAN

Moderately and simply

Jane If you want this choice position, Have a cheery disposition,

Rosy cheeks, no warts! Play games, all sorts; You

must be kind, you must be witty, Very sweet and fairly pretty;

Take us on outings, give us treats, Sing songs, bring sweets;

Never be cross and cruel; Never give us castor oil or gruel;

Love us like a son and daughter And never smell of barley

water. If you won't scold and dominate us, We will never give you

cause to hate us; We won't hide your spectacles so you can't see, Put

toads in your bed or pepper in your tea. Hurry, Nanny!

Man - y thanks. Sincere - ly, Jane and Michael Banks.

SISTER SUFFRAGETTE

March Tempo

We're clearly soldiers in petticoats,

Dauntless crusaders for women's votes.

Though we adore men individually,

We agree that as a group they're rather stupid!

Ah, cast off the shackles of yesterday!

Shoulder to shoulder into the fray! Our daughters’
daughters will adore us and they’ll sing in grateful
chorus, "Well done,
Sister Suffragette!"

From Kensington to Billingsgate one
hears the restless cries! From every corner of the land,

"Woman-kind, arise!" Political equality and

equal rights with men! Take heart! for Missus Pankhurst has been

clapped in irons again! No more the meek and mild subservi-ants

we! We're fighting for our rights, militant-
ly! Never you fear! So, cast off the shackles of yesterday!

Shoulder to shoulder into the fray! Our daughters' daughters will adore us and they'll sing in grateful chorus, "Well done!"

Well done, Sister Suffragette!"
